

CETINJE, NP LOVCEN

Hotels

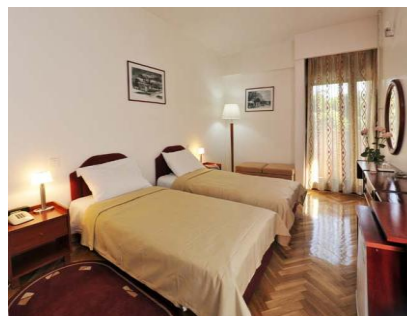

Cetinje and National Park "Lovcen"

In the hinterland of the Adriatic Sea opens a completely new world in the mountain region of Cetinje. The old capital of Montenegro - Cetinje proud of its rich cultural heritage and surrounding traditional authentic villages, tucked on the slopes of rugged craggy mountains rich with flora and fauna, whose peaks reaching up to 1.748 meters above sea level. Enjoy in a beauty of the National Park Lovcen, which is rich with flora and fauna as well as numerous monuments of culture. You will be delighted with a fantastic view of the Adriatic Sea, Boka Kotorska Bay and the mountain ranges, which stretches from the plateau at an altitude of 1.657 m, where is the mausoleum of Montenegrin bishop and poet Njegos, as well as from numerous other vantage points. In the ambience where local food is products in the homeland of the famous Njegusi ham and delicious cheeses, treat yourself enjoying in the culinary specialties of the region. **CETINJE**, once the center of the state of Montenegro, today the secondary capital of Montenegro, is located in a karst field below the mountain Lovcen. The city is a treasure of Montenegrin cultural and historical heritage. The Monastery of Cetinje, which had long been the spiritual and political centre of Montenegro, Njegos' Biljarda, the National Museum (the former Court of King Nikola), the buildings of the former diplomatic missions of the major European countries, which are gems of the architecture of the 19th and early 20th centuries, and a series of old buildings have blended in with the vegetation of the town, which has been for decades, a must see, for tourists. **NJEGUSI** is a village underneath Mount Lovcen, a place that has had an important role in history it was the place of birth for 200 years of prominent bishops and rulers of the state of Montenegro from the Petrovic dynasty. The place of birth of the poet and bishop Njegos and the houses of several renowned members of the Petrovic family are located along the main road connecting Cetinje and Kotor, by way of Njegusi. This road used to be Montenegro's main link to the sea, and consequently to Europe and the rest of the world. Njegusi is known for its dairy and meat products.
